Dear Groundwater Right Owner:

Enclosed are your Annual Water Withdrawal and Use Report forms for calendar year 2002. The summary page is printed on the reverse side of this letter. This report is for Grandfathered Right holders who have withdrawn groundwater from their own wells, who may have received water from others or may have delivered water to other right holders. The Department has preprinted certain information from our records onto these forms. Please pay particular attention to the schedules and worksheets. If any of the preprinted information is incorrect, please make the necessary changes. Note that a separate annual report must be filed for each right you own or lease. [Separate checks should be enclosed to cover the fees associated with each right and the right number should be written on the check.](#)

The Groundwater Code requires that each person who owns or leases a right to withdraw groundwater in an Active Management Area must file an annual report, even if no groundwater was used. [Persons who did not withdraw or use water during 2002 are required to return the form\(s\) with zeros in the appropriate blanks and sign and date the summary page.](#)

[Reports must be received by the Department or postmarked no later than March 31, 2003.](#)

The penalty for filing late is \$25.00 per month or part of month that the report is late up to \$150.00. In addition, if you withdrew groundwater, and did not pay the withdrawal fee on time, the penalty is 10% of the unpaid fee per month or part of a month that the fees are delinquent, up to a maximum of 60% of the unpaid balance.

[The owner and/or lessee of the right as of December 31, 2002 is responsible for filing an annual report covering the entire calendar year.](#) Please contact your local AMA office for conveyance forms and instructions.

We have tried to provide you with the proper forms according to information in our files. Failure to receive the proper forms does not relieve a person of the responsibility of keeping the required records or filing the required reports. You should keep a copy of this report for your records.

If you need help or have questions, contact your local AMA office listed at the top of the Groundwater Summary page of the report.

Sincerely,

Jim Holway
Assistant Director
Groundwater Management Division
